

## Disposable Storage

### Milk Carton

Back Window

Wash a milk carton thoroughly. Cut a hole slightly larger than toothbrush head in top portion. Cut a small window in back of carton for circulation. Put the child's name on the brush and carton. Decorate as a house or with flowers, etc. Store carton in the open. Put handle of brush in carton until brush is dry. After drying, put bristle end in carton.

### Plastic Foam Cups

Cups may be attached to a bulletin board with thumb tacks. Put bristle end into cup. Label each cup with a child's name.
